25X1A9a

1.                        CIA TSO, gave a brief oral report on his recent visit to TALENT centers in the ZI. The report of offered high praise for the extent to which these centers were conforming with security requirements and that minor suggestions were put into effect on the spot without any difficulty.

### Review of Highest Priority Requirements

2. The ARC agreed to undertake a review of the requirements giving particular attention in the first instance to the highest priority group. As an initial step for working purposes, CIA Office of Scientific Intelligence will distribute a paper which it has in hand for consideration on Wednesday afternoon, 10 December.

3. Meanwhile, ███████████████ presented a partial analysis as
an illustration of a more thoroughgoing method for review of requirements
in the light of national priority intelligence objectives along with a consid-
eration of the techniques available for collection. The Chairman requested

that ███████████ proceed with his scheme which all recognized might be
extremely useful not only to the ARC but also to the Critical Collection
Problems Committee and possibly other groups.

4. It was the tentative view of the ARC that if discussions with the
███████ on requirements appear necessary after the ARC review of require-
ments is completed it best be accomplished this time in Washington.

Downgrading Basic Requirements Lists

5. At the request of the Air Force, the ARC agreed to permit the
downgrading to SECRET of the now TOP SECRET basic requirements list
(TS-159024) provided that the following deletions are made:

   a.   Introduction page deleted.
   b.   Divider sheets removed.
